Subject: Chumash and Camp 4 Property

Dear Supervisors Farr and Adams:

I am writing to register my strong opinion that the Ad Hoc Subcommittee and the County should not in any way condone or offer Fee to Trust (FTT) nor violate the Williamson Act on any property owned by the Santa Ynez Band of Chumash Indians. This is the stated position of the Board of Supervisors as established by Board action on a 4:1 vote on October 15, 2013. The Board did not extend authority to the Ad Hoc Committee to negotiate Fee to Trust. The current FTT discussion is completely inappropriate without a return to the Board to reconsider their October 15, 2013 position in a full public hearing.

The current offer in the Term Sheet of FTT and zoning changes must be abandoned immediately, and full public participation allowed before previous public votes and Community Planning are unilaterally upended without the proper authority.

I am a retired law enforcement officer (36 years experience) and have resided in the Santa Ynez Valley (Meadowlark Ranches) for over 25 years. I believe that the Chumash have a total disregard for the citizens of the Santa Ynez Valley and must be stopped in their greedy quest to circumvent the rules and regulations that the rest of us must follow.

Respectfully,

Stanley S. Freedman
