**Subject:** Ad-Hoc Subcommittee Regarding Santa Ynez Band of Chumash Indians Matters

Dear Supervisor Adam:

I am writing to register my strong opinion that the Ad Hoc Subcommittee and the County should not in any way condone or offer Fee to Trust (FTT) on any property owned by the Band. This is the stated position of the Board of Supervisors as established by Board action on a 4:1 vote on October 15, 2013. The Board did not extend authority to the Ad Hoc Committee to negotiate Fee to Trust. The current FTT discussion are completely inappropriate without a return to the Board to reconsider their October 15, 2013 position in a full public hearing.

The current offer in the Term Sheet of FTT and zoning changes must be abandoned immediately, and full public participation allowed before previous public votes and Community Planning are unilaterally upended without the proper authority.

Sincerely,

Leslie Mosteller
