WHEREAS, on November 27, 1990, the Santa Barbara County Board of Supervisors adopted the redevelopment plan for the Isla Vista Redevelopment Project Area; and

WHEREAS, as part of the 2011-12 State budget bill, the California Legislature enacted and the Governor signed ABX1 26 requiring among other things that each Successor Agency to a former Redevelopment Agency approve an Administrative Budget to be adopted by the Oversight Board pursuant to California Health and Safety Code Section 34177(j); and

WHEREAS, an action challenging the constitutionality of ABX1 26 was brought on behalf of cities and redevelopment agencies in the case of California Redevelopment Association et al v. Matosantos (S194861) (“Matosantos case”); and

WHEREAS, on December 29, 2011 the California Supreme Court (“Court”) rendered a decision in the Matosantos case whereby it upheld most of ABX1 26, including those provisions requiring the dissolution of all redevelopment agencies; and

WHEREAS, California Health and Safety Code Section 34171(j) and 34173(d)(1) provide that the County is the Successor Agency to the former Redevelopment Agency unless the County adopted a resolution by September 1, 2011 electing not to serve as Successor Agency for the Redevelopment Agency; and

WHEREAS, on August 9, 2011 the County of Santa Barbara Board of Supervisors decided to take no action under California Health and Safety Code Section 34173(d)(1), so as to allow the County of Santa Barbara to automatically become Successor Agency to the former Redevelopment Agency; and

WHEREAS, on January 10, 2012, the County of Santa Barbara Board of Supervisors reaffirmed their decision to automatically become Successor Agency to the former Redevelopment Agency by taking no action under California Health and Safety Code Section 34173(d)(1); and

WHEREAS, as of February 1, 2012, the Redevelopment Agency was dissolved and the Successor Agency became operational; and

WHEREAS, Health & Safety Code Section 34179.6 (a) requires each successor agency to provide to the oversight board, the county auditor-controller, the Controller, and the Department of Finance, the results of the review conducted pursuant to Section 34179.5 for the former Agency's non-housing fund and account balances, and specifically the amount of cash and cash equivalents, determined to be available for allocation to taxing entities by December 15, 2012, and

WHEREAS, Health & Safety Code Section 34179.6 (b) requires that upon receipt of the review, the oversight board shall convene a public comment session to take place at least five business days before the oversight board holds the approval vote specified in subdivision (c) and that the oversight board shall also consider any opinions offered by the county auditor-controller on the review results submitted by the successor agencies, and

WHEREAS, Health & Safety Code Section 34179.6 (c) requires that by January 15, 2012, for the non-housing fund and account balances, the oversight board shall review, approve, and transmit to the Department and the county auditor-controller the determination of the amount of cash and cash equivalents that are available for disbursement to taxing entities as determined according to the method provided in Section 34179.5,

WHEREAS, the Oversight Board of the Successor Agency to the former County of Santa Barbara Redevelopment Agency has received the results of the review conducted pursuant to Section 34179.5 for the non-housing fund and account balances, convened a public comment session pursuant to HSC Section 34179.6 (b), and now desires to adopt a resolution to approve and transmit to the Department of Finance and the County Auditor-Controller the determination of the amount of cash and cash equivalents that are available for disbursement to taxing entities as determined according to the method provided in Section 34179.5.

NOW, THEREFORE BE IT FOUND AND RESOLVED AS FOLLOWS:

1. The above recitations are true and correct.
2. The Oversight Board of the Successor Agency to the former County of Santa Barbara Redevelopment Agency has reviewed and approved the due-diligence review prepared for the non-housing fund and account balances included herein as Exhibit A and now directs the Successor Agency to transmit to the Department of Finance and the County Auditor-Controller the results of that review including a determination of the amount of cash and cash equivalents that are available for disbursement to taxing entities as determined according to the method provided in Section 34179.5.

We have performed the required agreed-upon procedures (AUP) enumerated in Attachment A, which were agreed to by the California State Controller's Office and the Department of Finance solely to assist you in ensuring that the Successor Agency to the County of Santa Barbara Redevelopment Agency (the Agency) is complying with its statutory requirements with respect to Assembly Bill (AB) 1484. Management of the Agency is responsible for the accounting records pertaining to statutory compliance pursuant to Health and Safety Code. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The scope of this engagement was limited to performing the required agreed-upon procedures as set forth in Attachment A. The results of the procedures performed are listed under each related testing step in Attachment A.

We were not engaged to and did not conduct an audit, the objective of which would be the expression of an opinion as to the appropriateness of the results summarized in Attachment A. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the management of the Agency and applicable State agencies, and is not intended to be, and should not be, used by anyone other than these specified parties. This restriction is not intended to limit distribution of this report, which is a matter of public record.

Attachment A-List of Procedures for Due Diligence Review

General information regarding these procedures:

1. The procedures associated with Sections 34179.5(c)(1) through 34179.5(c)(3) and Sections 34179.5(c)(5) through 34179.5(c)(6) are to be applied separately to (a) the Low and Moderate Income Housing Fund of the Successor Agency and to (b) all other funds of the Successor Agency combined (excluding the Low and Moderate Income Housing Fund).
2. The due date for the report associated with the Low and Moderate Income Housing Fund is October 1, 2012.
3. The due date for the report associated with all other funds of the Successor Agency combined (excluding the Low and Moderate Income Housing Fund) is December 15, 2012.
4. Because the procedures required by Section 34179.5(c)(4) pertain to the Successor Agency as a whole, these procedures should be addressed in the report that is due on December 15, 2012.

Fiscal year references below refer to fiscal years ending on June 30. This language should be modified for those agencies that have a different fiscal year-end.

For purposes of the procedures below and the related exhibits, the amount of the assets presented should be based upon accounting principles generally accepted in the United States of America (GAAP), unless otherwise noted.

To the extent the procedures listed below are duplicative to the agreed upon procedures that were performed pursuant to Health and Safety Code (HSC) 34182 (a)(1), it is acceptable to obtain and use information from the HSC 34182 (a)(1) procedures for purposes of this due diligence review without having to re-perform the procedures. When this is done, the due diligence report should refer to the report that was issued for the agreed upon procedures performed under HSC 34182 (a)(1).

Certain assets may qualify as a deduction under more than one category of deduction. In such cases, care should be taken to ensure that such assets have been included as a deduction in the summary schedule only once.

34179.5(c)(1) The dollar value of assets transferred from the former redevelopment agency to the successor agency on or about February 1, 2012.

Suggested Procedure(s):

1. Obtain from the Successor Agency a listing of all assets that were transferred from the former redevelopment agency to the Successor Agency on February 1, 2012. Agree the amounts on this listing to account balances established in the accounting records of the Successor Agency. Identify in the Agreed-Upon Procedures (AUP) report the amount of the assets transferred to the Successor Agency as of that date.

Result:

We found no exceptions as a result of the procedures performed. The amount of assets transferred to the Successor Agency was \$12,467,282.

34179.5(c)(2) The dollar value of assets and cash and cash equivalents transferred after January 1, 2011, through June 30, 2012, by the redevelopment agency or the successor agency to the city, county, or city and county that formed the redevelopment agency and the purpose of each transfer. The review shall provide documentation of any enforceable obligation that required the transfer.

Suggested Procedure(s):

2. If the State Controller's Office has completed its review of transfers required under both Sections 34167.5 and 34178.8 and issued its report regarding such review, attach a copy of that report as an exhibit to the AUP report. If this has not yet occurred, perform the following procedures:
 - A) Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the former redevelopment agency to the city, county, or city and county that formed the redevelopment agency for the period from January 1, 2011, through January 31, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.
 - B) Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the Successor Agency to the city, county, or city and county that formed the redevelopment agency for the period from February 1, 2012, through June 30, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.
 - C) For each transfer, obtain the legal document that formed the basis for the enforceable obligation that required any transfer. Note in the AUP report the absence of any such legal document or the absence of language in the document that required the transfer.

Result:

We found no exceptions as a result of the procedures performed. Please see Listing of transfers in Attachment B.

The review shall provide documentation of any enforceable obligation that required the transfer.

Suggested Procedure(s):

3. If the State Controller's Office has completed its review of transfers required under both Sections 34167.5 and 34178.8 and issued its report regarding such review, attach a copy of that report as an exhibit to the AUP report. If this has not yet occurred, perform the following procedures:
 - A) Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the former redevelopment agency to any other public agency or to private parties for the period from January 1, 2011, through January 31, 2012. 34179.5(c)(4) The review shall provide expenditure and revenue accounting information and identify transfers and funding sources for the 2010–11 and 2011–12 fiscal years that reconciles balances, assets, and liabilities of the successor agency on June 30, 2012, to those reported to the Controller for the 2009–10 fiscal year.

Suggested Procedure(s):

4. Perform the following procedures:

- A) Obtain from the Successor Agency a summary of the financial transactions of the Redevelopment Agency and the Successor Agency in the format set forth in the attached schedule for the fiscal periods indicated in the schedule. For purposes of this summary, the financial transactions should be presented using the modified accrual basis of accounting. End of year balances for capital assets (in total) and long-term liabilities (in total) should be presented at the bottom of this summary schedule for information purposes.
- B) Ascertain that for each period presented, the total of revenues, expenditures, and transfers accounts fully for the changes in equity from the previous fiscal period.
- C) Compare amounts in the schedule relevant to the fiscal year ended June 30, 2010, to the state controller's report filed for the Redevelopment Agency for that period.
- D) Compare amounts in the schedule for the other fiscal periods presented to account balances in the accounting records or other supporting schedules. Describe in the report the type of support provided for each fiscal period.

Obtain from the Successor Agency a listing of all assets of the Low and Moderate Income Housing Fund as of June 30, 2012 for the report that is due October 1, 2012 and a listing of all assets of all other funds of the Successor Agency as of June 30, 2012 (excluding the previously reported assets of the Low and Moderate Income Housing Fund) for the report that is due December 15, 2012. When this procedure is applied to the Low and Moderate Income Housing Fund, the schedule attached as an exhibit will include only those assets of the Low and Moderate Income Housing Fund that were held by the Successor Agency as of June 30, 2012 and will exclude all assets held by the entity that assumed the housing function previously performed by the former redevelopment agency. Agree the assets listed to recorded balances reflected in the accounting records of the Successor Agency. The listings should be attached as an exhibit to the appropriate AUP report.

Result:

We found no exceptions as a result of the procedures performed. Please see the final column of the summary of financial transactions for the Successor Agency Fund in Attachment C.

34179.5(c)(5)(B) An itemized statement listing any amounts that are legally restricted as to purpose and cannot be provided to taxing entities. This could include the proceeds of any bonds, grant funds, or funds provided by other governmental entities that place conditions on their use.

Suggested Procedure(s):

6. Obtain from the Successor Agency a listing of asset balances held on June 30, 2012, that are restricted for the following purposes:

A) Unspent bond proceeds:

- i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures, amounts set aside for debt service payments, etc.).
- ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
- iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.

B) Grant proceeds and program income that are restricted by third parties:

- i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).
- ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).

- iii. Obtain from the Successor Agency a copy of the grant agreement that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.
- C) Other assets considered to be legally restricted:
- i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).
 - ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
 - iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.
- D) Attach the above mentioned Successor Agency prepared schedule(s) as an exhibit to the AUP report. For each restriction identified on these schedules, indicate in the report the period of time for which the restrictions are in effect. If the restrictions are in effect until the related assets are expended for their intended purpose, this should be indicated in the report.

Result:

We found no exceptions as a result of the procedures performed. Please see listing of Restricted Assets in Attachment D.

Citation:

34179.5(c)(5)(C) An itemized statement of the values of any assets that are not cash or cash equivalents. This may include physical assets, land, records, and equipment. For the purpose of this accounting, physical assets may be valued at purchase cost or at any recently estimated market value. The statement shall list separately housing-related assets.

Suggested Procedure(s):

7. Perform the following procedures:
 - A) Obtain from the Successor Agency a listing of assets as of June 30, 2012, that are not liquid or otherwise available for distribution (such as capital assets, land held for resale, long-term receivables, etc.) and ascertain if the values are listed at either purchase cost (based on book value reflected in the accounting records of the Successor Agency) or market value as recently estimated by the Successor Agency.
 - B) If the assets listed at 7(A) are listed at purchase cost, trace the amounts to a previously audited financial statement (or to the accounting records of the Successor Agency) and note any differences.
 - C) For any differences noted in 7(B), inspect evidence of disposal of the asset and ascertain that the proceeds were deposited into the Successor Agency trust fund. If the differences are due to additions (this generally is not expected to occur), inspect the supporting documentation and note the circumstances.
 - D) If the assets listed at 7(A) are listed at recently estimated market value, inspect the evidence (if any) supporting the value and note the methodology used. If no evidence is available to support the value and/or methodology, note the lack of evidence.

Result:

We found no exceptions as a result of the procedures performed. Please see listing of Restricted Assets in Attachment E.

Citation:

34179.5(c)(5)(D) An itemized listing of any current balances that are legally or contractually dedicated or restricted for the funding of an enforceable obligation that identifies the nature of the dedication or restriction and the specific enforceable obligation. In addition, the successor agency shall provide a listing of all approved enforceable obligations that includes a projection of annual spending requirements to satisfy each obligation and a projection of annual revenues available to fund those requirements. If a review finds that future revenues together with dedicated or restricted balances are insufficient to fund future obligations and thus retention of current balances is required, it shall identify the amount of current balances necessary for retention. The review shall also detail the projected property tax revenues and other general purpose revenues to be received by the successor agency, together with both the amount and timing of the bond debt service payments of the successor agency, for the period in which the oversight board anticipates the successor agency will have insufficient property tax revenue to pay the specified obligations.

Suggested Procedure(s):

8. Perform the following procedures:

- A) If the Successor Agency believes that asset balances need to be retained to satisfy enforceable obligations, obtain from the Successor Agency an itemized schedule of asset balances (resources) as of June 30, 2012, that are dedicated or restricted for the funding of enforceable obligations and perform the following procedures. The schedule should identify the amount dedicated or restricted, the nature of the dedication or restriction, the specific enforceable obligation to which the dedication or restriction relates, and the language in the legal document that is associated with the enforceable obligation that specifies the dedication of existing asset balances toward payment of that obligation.
 - i. Compare all information on the schedule to the legal documents that form the basis for the dedication or restriction of the resource balance in question.
 - ii. Compare all current balances to the amounts reported in the accounting records of the Successor Agency or to an alternative computation.
 - iii. Compare the specified enforceable obligations to those that were included in the final Recognized Obligation Payment Schedule approved by the California Department of Finance.
 - iv. Attach as an exhibit to the report the listing obtained from the Successor Agency. Identify in the report any listed balances for which the Successor Agency was unable to provide appropriate restricting language in the legal document associated with the enforceable obligation.

- B) If the Successor Agency believes that future revenues together with balances dedicated or restricted to an enforceable obligation are insufficient to fund future obligation payments and thus retention of current balances is required, obtain from the Successor Agency a schedule of approved enforceable obligations that includes a projection of the annual spending requirements to satisfy each obligation and a projection of the annual revenues available to fund those requirements and perform the following procedures:
 - i. Compare the enforceable obligations to those that were approved by the California Department of Finance. Procedures to accomplish this may include reviewing the letter from the California Department of Finance approving the Recognized Enforceable Obligation Payment Schedules for the six month period from January 1, 2012, through June 30, 2012, and for the six month period July 1, 2012, through December 31, 2012.
 - ii. Compare the forecasted annual spending requirements to the legal document supporting each enforceable obligation.

- a. Obtain from the Successor Agency its assumptions relating to the forecasted annual spending requirements and disclose in the report major assumptions associated with the projections.
 - iii. For the forecasted annual revenues:
 - a. Obtain from the Successor Agency its assumptions for the forecasted annual revenues and disclose in the report major assumptions associated with the projections.
- C) If the Successor Agency believes that projected property tax revenues and other general purpose revenues to be received by the Successor Agency are insufficient to pay bond debt service payments (considering both the timing and amount of the related cash flows), obtain from the Successor Agency a schedule demonstrating this insufficiency and apply the following procedures to the information reflected in that schedule.
 - i. Compare the timing and amounts of bond debt service payments to the related bond debt service schedules in the bond agreement.
 - ii. Obtain the assumptions for the forecasted property tax revenues and disclose major assumptions associated with the projections.
 - iii. Obtain the assumptions for the forecasted other general purpose revenues and disclose major assumptions associated with the projections.
- D) If procedures A, B, or C were performed, calculate the amount of current unrestricted balances necessary for retention in order to meet the enforceable obligations by performing the following procedures.
 - i. Combine the amount of identified current dedicated or restricted balances and the amount of forecasted annual revenues to arrive at the amount of total resources available to fund enforceable obligations.
 - ii. Reduce the amount of total resources available by the amount forecasted for the annual spending requirements. A negative result indicates the amount of current unrestricted balances that needs to be retained.
 - iii. Include the calculation in the AUP report.

Result:

We found no exceptions as a result of the procedures performed. Please see listing of assets held to satisfy Enforceable Obligations in Attachment F.

Citation:

34179.5(c)(5)(E) An itemized list and analysis of any amounts of current balances that are needed to satisfy obligations that will be placed on the Recognized Obligation Payment Schedules for the current fiscal year.

Suggested Procedure(s):

- 9. If the Successor Agency believes that cash balances as of June 30, 2012, need to be retained to satisfy obligations on the Recognized Obligation Payment Schedule (ROPS) for the period of July 1, 2012 through June 30, 2013, obtain a copy of the final ROPS for the period of July 1, 2012, through December 31, 2012, and a copy of the final ROPS for the period January 1, 2013, through June 30, 2013. For each obligation listed on the ROPS, the Successor Agency should add columns identifying (1) any dollar amounts of existing cash that are needed to satisfy that obligation and (2) the Successor Agency's explanation as to why the Successor Agency believes that such balances are needed to satisfy the obligation. Include this schedule as an attachment to the AUP report.

Result:

We found no exceptions as a result of the procedures performed. Please see listing of assets held to satisfy Enforceable Obligations in Attachment F.

Citation:

34179.5(c)(6) The review shall total the net balances available after deducting the total amounts described in subparagraphs (B) to (E), inclusive, of paragraph (5). The review shall add any amounts that were transferred as identified in paragraphs (2) and (3) of subdivision (c) if an enforceable obligation to make that transfer did not exist. The resulting sum shall be available for allocation to affected taxing entities pursuant to Section 34179.6. It shall be a rebuttable presumption that cash and cash equivalent balances available to the successor agency are available and sufficient to disburse the amount determined in this paragraph to taxing entities. If the review finds that there are insufficient cash balances to transfer or that cash or cash equivalents are specifically obligated to the purposes described in subparagraphs (B), (D), and (E) of paragraph (5) in such amounts that there is insufficient cash to provide the full amount determined pursuant to this paragraph, that amount shall be demonstrated in an additional itemized schedule.

Suggested Procedure(s):

10. Include (or present) a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities. Amounts included in the calculation should agree to the results of the procedures performed in each section above. The schedule should also include a deduction to recognize amounts already paid to the County Auditor-Controller on July 12, 2012, as directed by the California Department of Finance. The amount of this deduction presented should be agreed to evidence of payment. The attached example summary schedule may be considered for this purpose. Separate schedules should be completed for the Low and Moderate Income Housing Fund and for all other funds combined (excluding the Low and Moderate Income Housing Fund).

Result:

We found no exceptions as a result of the procedures performed. Please see calculation of Balance Available for Allocation in Attachment G.

Suggested Procedure(s):

11. Obtain a representation letter from Successor Agency management acknowledging their responsibility for the data provided to the practitioner and the data presented in the report or in any attachments to the report. Included in the representations should be an acknowledgment that management is not aware of any transfers (as defined by Section 34179.5) from either the former redevelopment agency or the Successor Agency to other parties for the period from January 1, 2011, through June 30, 2012, that have not been properly identified in the AUP report and its related exhibits. Management's refusal to sign the representation letter should be noted in the AUP report as required by attestation standards.

Result:

We received the representation letter, which included all required information, on September 27, 2012.

Explanatory Note 1: Redevelopment Agency Housing Assets we accounted for as having occurred on February 1, 2012. California Department of Finance Procedures require that the schedules be prepared in accordance with accounting principles generally accepted in the United States of America, specifically a modified accrual basis of accounting was mandated. In accordance with Modified Accrual Accounting principals, the liability to the Successor Housing Agency was recorded as a "Due to Successor Agency" because it was both due, measurable and scheduled to be liquidated with current financial resources. This liability was recorded in the column for the "Redevelopment Agency 7 months ended January 31, 2012" and was expensed in the same period.

Explanatory Note 2: Amounts related to the transfer of Assets to the Successor Housing Agency were recorded as Transfers (net of related liabilities) in the column labeled "Redevelopment Agency 7 Months Ended January 31". These amounts were recorded as "extraordinary items" on the Statement of Revenues, Expenditures and Fund Balances for the period dated January 31, 2012. No other transfers were reported during the period covered by this schedule.
