City of Solvang - City Council Chambers  
1644 Oak Street, Solvang, CA

10:00AM - Convene

Roll Call

Public Comment

- I. Approval of Minutes: February 29, 2012 (Attachment 1)
- II. HEARING: Presentation of Grant Applicants - (Attachment 2)

#### **City of Buellton - John Kunkel, City Manager**

Provide additional law enforcement (traffic officer) services. The City contracts services through the Santa Barbara County Sheriff's Department.

#### **City of Buellton - John Kunkel, City Manager**

Enable the Buellton Senior Center to continue to provide and expand the services provided to the Valley Seniors.

#### **City of Solvang - Brad Vidro, City Manager**

Widening of Alamo Pintado Bridge on Hwy 246 (continuing of Preliminary Engineering work and completing Environmental document).

#### **County of Santa Barbara Fire Department - Michael W. Dyer, Fire Chief**

Fund a Firefighter/Paramedic (3 FTEs) at Station 32 in Santa Ynez adjacent to the Chumash Casino.

#### **County of Santa Barbara Sheriff Department – Bill Brown, Sheriff**

Provide continued Law Enforcement (Deputy Sheriff) coverage (5 FTEs) on a 24-hours a day/7-days a week basis.

#### **Santa Ynez Community Service District - Bobbi Martin**

Replacement of 24 manhole covers due to the increase in wear over the past seven years, due to increase in vehicle traffic on main roadways to the casino.

- III. Next Meeting
  - a. May 11, 2012 to consider and select, from the applications sponsored by the Santa Ynez Band of Chumash Indians, the grants to be funded from the County Tribal Account.

- IV. Adjourn

## ACTION SUMMARY

Wednesday, February 29, 2012  
City of Solvang - City Council Chambers

Roll Call – All members present

Public Comment- No request to speak

I. Approval of the Minutes: June 3, 2011  
A motion was made by Third District Supervisor Doreen Farr, seconded by Fifth District Supervisor Steve Lavagnino to accept the minutes of February 29, 2012.

Motion passed unanimously.

II. Elect Chair and Vice Chair of the Community Benefit Committee  
A motion was made by Fifth District Supervisor Steve Lavagnino and seconded by Council Member Joan Jamieson to elect Reginald Pagaling as Chair and Doreen Farr as Vice Chair.

Motion passed unanimously.

III. 2012 Grant Application – Proposed Timeline  
Discussion occurred regarding City of Solvang's previously awarded funding.

A motion was made by Council Member Ed Andrisek and seconded by Hans Duus to accept the 2012 Grant Application timeline as proposed.

Motion passed unanimously.

IV. Grant Application Packet & Posting  
a. Grant Application  
b. Grant Application Process  
c. Notice of Availability of Grant Funds

A motion was made by Council Member Ed Andrisek and seconded by Council Member Hans Duus to accept the 2012 Grant Application packet as proposed.

Motion passed unanimously.

V. Receive and File Reports  
a. FY 2010-11 Indian Gaming Special Distribution Fund Annual Report

VI. Adjourn – 2:45PM  
A motion was made by Council Member Hans Duus and seconded by Council Member Ed Andrisek to adjourn meeting.

Motion passed unanimously.

**Santa Barbara County**  
**Indian Gaming Local Community Benefit Committee**

Grant Application FY 2011-12 - Funds to be distributed in 2012  
\$736,752.40 Available to Award

To be considered for funding by the Indian Gaming Community Benefit Committee, the applying jurisdiction must be an eligible jurisdiction pursuant to Assembly Bill 158, and meet all the requirements as identified by the Santa Ynez Band of Chumash Indians and the Indian Gaming Local Community Benefit Committee. The Santa Ynez Band of Chumash Indians will forward applications and a list of sponsored applications to the Committee.

1. Name of Jurisdiction: City of Buellton  
Pursuant to AB 158, jurisdiction is defined as a City, County or Special District

a. Please indicate by checking the appropriate box the type of local jurisdiction:

- City  County  
 Special District – “Special District” means an agency of the State, formed pursuant to general law or special act, for the local performance of governmental or proprietary functions within limited boundaries.

b. If you checked Special District, please provide evidence by indicating the general law or special act (California Code Section) that establishes your status as a Special District:

\_\_\_\_\_  
\_\_\_\_\_

2. Mailing address of Jurisdiction: P.O. Box 1819 Buellton, CA 93427

3. Purpose of Grant / Description of Project:

The purpose of the grant is for additional law enforcement services. The City contracts police service through the Santa Barbara County Sheriff's Department. This grant will enable the City to have additional personnel on duty to service the community and those traveling through Buellton to the Casino should law enforcement services be needed. The additional personnel will also enable the City to better protect tribal assets within our City namely the HR department and the mural at Riverview Park.

**Santa Barbara County**

ATTACHMENT 2

**Indian Gaming Local Community Benefit Committee**

Grant Application FY 2011-12 - Funds to be distributed in 2012

\$736,752.40 Available to Award

- 4. Please document, in detail, the Tribal casino and/or gaming impacts and describe how the request is proportional to the documented impacts which the grant or project is designed to mitigate: (please include historical data, if available. Attach additional sheets if necessary to provide a detailed description of impacts).

Buellton has an increase in the amount of traffic it receives in direct correlation to not only the patrons of the casino, but also the employees and the buses that transport those employees to the drop off areas, all of which are reached by going to or through, at least a portion of Buellton.

## Indian Gaming Local Community Benefit Committee

Grant Application FY 2011-12 - Funds to be distributed in 2012

\$736,752.40 Available to Award

11. If ongoing costs, annual amount? \$ \_\_\_\_\_
12. Please provide funding history since FY 07-08:  
FY 07-08 \$265,000  
\_\_\_\_\_  
FY 08-09 \$132,000  
\_\_\_\_\_  
FY 11-12 \$165,000  
\_\_\_\_\_
13. Name other sources of funding, if any, that will be contributed to the project and the amount provided by each source: City of Buellton's General Fund \$11,500
14. Type of grant for which you are applying: (Nexus or Discretionary)

**Nexus Grants (Total of \$442,051.44 Available)**

To be eligible for Nexus Grant funding, a City or County must meet a minimum of two of the following nexus criteria established by State law (Government Code).

*(Please check all that apply):*

- a. Local government jurisdiction borders the Indian lands on all sides (Section 12715 (c)(1)(A));
- b. Local government jurisdiction partially borders Indian lands (Section 12715 (c)(1)(B));
- c. Local government jurisdiction maintains a highway or road that is predominant access to casino that is located within 4 miles (Section (c)(1)(C));
- d. All or part of the local government jurisdiction is located within 4 miles of the casino (Section (c)(1)(D)).

Based on the above, in Santa Barbara County, Nexus Grants are limited to the **City of Solvang** and the **County of Santa Barbara**. Nexus grants are to be awarded as follows:

- 50% of the 60% available awarded to jurisdictions meeting all 4 nexus test criteria.
- 30% of the 60% awarded to jurisdictions that meet 3 of the nexus test criteria
- 20% awarded to jurisdictions that meet 2 of the nexus test criteria.

**Discretionary Grant (\$294,700.96 Available)**

**Special Distribution Funds (SDF)**

20% Discretionary Grants are available to local jurisdictions (City, County, or Special Districts) impacted by casinos of tribes that are paying into the Special Distribution Fund.

15. Please affirm the jurisdiction is aware and will comply with requirement for noticing of project funding  
 Yes     No

Grant recipients must provide notice to the public, either through a slogan, signage or other mechanism, which states that the project has received funding from the Indian Gaming Special Distribution Fund and further identifies the particular Individual Tribal Casino Account from which the grant derives.

3. Purpose of Grant / Description of Project:

The Buellton Senior Center provides meals and activities for not only Buellton senior citizens, but for the entire Santa Ynez Valley. They are a non-profit 501 c 3 organization

and are dependent upon donations for funding. They have had an increase in demand for

services they provide as a result of the "graying" of our population. The funds from this

grant in conjunction with funds from the City of Buellton will enable the Buellton Senior

Center to continue to provide and expand the services they provide our Valley Seniors.

*RE: State Highway 246/Alamo Pintado Road Improvements Funding*

Dear Chairman:

The City of Solvang is writing to inform you of an issue that has come up in regards to the intersection improvement project that has been funded by the Santa Barbara County Indian Gaming Local Community Benefit Committee. The following is a historical background on the project.

The State Route 246 & Alamo Pintado Road Intersection Improvement Project began in 2006 with the development of a Project Study Report (PSR). Initially improvements were thought to only require simple channelization modifications at the intersection and some widening of the SR 246 roadway and bridge. Preliminary traffic studies showed that in order to accommodate the future year traffic demands, SR 246 would need to be widened to include an additional traffic lane in each direction and lengthening the eastbound left turn lane. Other traffic operational improvements that required further investigation included management of access points along SR 246 to local drive ways and how to best improve the High Meadow Road intersection.

In an effort to eliminate the need to widen the bridge the consultant was directed to evaluate installation of a roundabout at the intersection. A preliminary traffic analysis was performed to test the ability of a modern roundabout to function at this location and it was shown to be a viable alternative. As a result Caltrans notified the City of the requirement to complete a study called a "Roundabout Report of Conceptual Approval", this report was approved in February of 2007. Upon obtaining conceptual approval of the roundabout alternative the City was then able to embark upon completion of a Project Study Report (PSR) which is the next step required by Caltrans.

The PSR required several detailed studies analyzing the effects of each proposed alternative, these studies included: a traffic safety analysis, traffic operations report, planning studies for the bridge, geometric design studies for each alternative, preparation of a preliminary environmental evaluation report and a hydraulic analysis of the Alamo Pintado Creek channel for 50 and 100

year storm events. A range of alternatives were finally agreed upon and the PSR was eventually approved by Caltrans in October 2009. The PSR identified three potential build alternatives: a signalized intersection, a roundabout and the third alternative considered placing a roundabout at the Old Mission intersection in conjunction with a roundabout at the SR 246/Alamo Pintado intersection.

With the approval of the PSR the consultant team began efforts leading to a Project Report and Environmental Document. A community workshop was held to obtain input on the alternatives that were developed in the PSR in January of 2010. As the team progressed with development of environmental technical studies Caltrans was concerned with potential cultural resource impacts in and around the Creek. Caltrans directed the team to consider performing an "Extended Phase 1 Archeological Study" to remove the risk of encountering resources during construction of the project. The consultant team was able to avoid performing this study by advancing work on the geotechnical report and having the archeological specialist in the field to log samples as they were taken. This avoided a potential delay of two years and avoided significant costs for such a study. The archeological issue was finally put to rest in August of 2011 with Caltrans acceptance of the Archeological Survey Report and accompanying technical documents.

The consultant then proceeded to perform early coordination with permitting agencies and held a field review with US Fish and Wildlife Service, Army Corps of Engineers, Regional Water Quality Control Board, National Marine Fisheries, and California Department of Fish and Game. This early coordination was necessary to highlight potential impacts to the creek due to the proposed alternatives. To further eliminate potential impacts in the channel and be able to convey the required storm flows the Caltrans/City/consultant team has been able to reach a consensus that widening the existing bridge would not be an economically viable option and the bridge should be replaced. This has been supported by a geotechnical report and preliminary structural analysis.

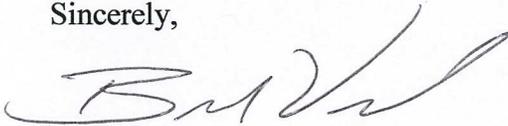

As the design team progressed closer to the submittal of the draft environmental document, Caltrans asked the City to provide a funding commitment letter to show that the project has sufficient funds to be constructed. Caltrans has indicated that as lead agency, they will not approve the environmental document without assurance of complete project funding. Caltrans concern is that if funding will not be secured within a reasonable period of time, then environmental technical studies would need to be re-validated prior to construction of the project. The estimated project cost to replace the bridge and perform roadway improvements is approximately \$12,000,000. Currently construction funding consists of \$3,000,000 in Measure "A" funding which won't be available until 2014. There is approximately \$380,000 remaining of the total funding that the City received from the Indian Gaming Special Distribution Fund. The availability of additional grant funding for this project has been explored and would likely not materialize due to already financially constrained programs, and the fact that projects of this type do not qualify for programs currently being implemented at the Federal and State levels.

Based on these facts the Solvang City Council is notifying the Committee that it will not be proceeding with the full bridge replacement project at this time, but instead using the remaining funding to construct the portion of the overall bridge improvement project that includes the installation of a left turn lane at High Meadow Road and a separate bicycle bridge over Alamo

Pintado Creek required as conditions to the construction of the bridge improvements themselves. This "Phase 1" project is estimated to cost \$550,000. The City of Solvang will provide the matching funds to complete the project.

The City of Solvang does not consider this to be an alternate use of the funding provided but merely construction of a smaller phase of the total project. In accordance with Santa Barbara County Counsel's request we have attached a funding summary for the project and completed a revised application for the Phase 1 project. We do not feel a new application is necessary, but do want to be considerate of County Counsel's request and as such have included one.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad Vidro". The signature is fluid and cursive, with the first name "Brad" and last name "Vidro" clearly distinguishable.

Brad Vidro

**Santa Barbara County**  
**Indian Gaming Local Community Benefit Committee**

Grant Application FY 2011-12 - Funds to be distributed in 2012  
\$736,752.40 Available to Award

To be considered for funding by the Indian Gaming Community Benefit Committee, the applying jurisdiction must be an eligible jurisdiction pursuant to Assembly Bill 158, and meet all the requirements as identified by the Santa Ynez Band of Chumash Indians and the Indian Gaming Local Community Benefit Committee. The Santa Ynez Band of Chumash Indians will forward applications and a list of sponsored applications to the Committee.

1. Name of Jurisdiction: City of Solvang  
Pursuant to AB 158, jurisdiction is defined as a City, County or Special District

a. Please indicate by checking the appropriate box the type of local jurisdiction:

City

County

**Special District** – “Special District” means an agency of the State, formed pursuant to general law or special act, for the local performance of governmental or proprietary functions within limited boundaries.

b. If you checked Special District, please provide evidence by indicating the general law or special act (California Code Section) that establishes your status as a Special District:

\_\_\_\_\_  
\_\_\_\_\_

2. Mailing address of Jurisdiction: 1644 Oak Street, Solvang , CA 93463

\_\_\_\_\_

3. Purpose of Grant / Description of Project: Construction of intersection improvements on State Route 246 at High Meadow Road, including a left turn lane on SR 246 and a separate bicycle bridge across Alamo Pintado Creek. This is “Phase 1” of the larger project to improve circulation at the intersection of SR 246 and Alamo Pintado Road which requires full replacement of the roadway bridge over Alamo Pintado Creek. The City is not requesting additional funding, but to use prior year funding already received for the larger project.

4. Please document, in detail, the Tribal casino and/or gaming impacts and describe how the request is proportional to the documented impacts which the grant or project is designed to mitigate: (Please include historical data, if available. Attach additional sheets, if necessary, to provide a detailed description of impacts).

The success of the Chumash Casino has brought increased traffic to State Route 246. Attached are the Average Annual Daily Traffic as reported by the State of California for the period from 2000 through 2010 which shows up to a 44% increase in volume in the vicinity of the intersection of Highway 246/Alamo Pintado Road. This has resulted in a deterioration of the operational Level of Service for both the intersection of Highway 246/Alamo Pintado Road and the adjacent intersection of SR 246 and High Meadow Road in the City of Solvang. This causes delays to the citizens of Solvang and the casino patrons traveling through Solvang to get to the casino. Installation of a left turn lane will improve the efficiency of the intersection reducing the impact to traffic traveling to and from the Casino. The State of California Department of Transportation has required that if a left turn lane is installed at High Meadow Road that a separate bicycle bridge be constructed to mitigate the increased risks to bicycles from the increased traffic on SR 246 from the narrowing of the roadway shoulders. The bike bridge would improve the safety of the existing Class 1 bike trail that ends at the existing roadway bridge over Alamo Pintado Creek.

5. The following are priorities, established in statute, for receipt of grant money. Please indicate by check mark, the priority(ies) the grant request satisfies:

- |   |   |
|---|---|
| <input type="checkbox"/> Law Enforcement            | <input type="checkbox"/> Health                         |
| <input type="checkbox"/> Fire Services              | <input type="checkbox"/> Planning and Adjacent Land Use |
| <input type="checkbox"/> Emergency Medical Services | <input type="checkbox"/> Public Health                  |
| <input type="checkbox"/> Environmental Impacts      | <input checked="" type="checkbox"/> Roads               |
| <input type="checkbox"/> Water Supplies             | <input type="checkbox"/> Recreation and Youth Programs  |
| <input type="checkbox"/> Waste Disposal             | <input type="checkbox"/> Child Care Programs            |
| <input type="checkbox"/> Behavioral                 |   |

6. Jurisdiction Priority: \_\_\_\_\_ (Optional - If multiple applications are submitted a jurisdiction may want to indicate the relative priority of each application)

7. Request is for:  Single-year grant

**Santa Barbara County**  
**Indian Gaming Local Community Benefit Committee**

ATTACHMENT 2

Grant Application FY 2011-12 - Funds to be distributed in 2012  
\$736,752.40 Available to Award

Multi-year grant for Fiscal Years: \_\_\_\_\_

8. What is the grant or project time frame? \_\_\_ Construction in 2013 if Caltrans issues a permit \_\_\_\_\_

9. Amount of funding requested through this application? \$ \_\_\_ 380,000 (remainder of funding already received) \_\_\_\_\_

10. What will be the total cost of the project? \$ \_\_\_ 550,000 \_\_\_\_\_

11. If ongoing costs, annual amount? \$ \_\_\_\_\_

12. Please provide funding history since FY 07-08:

\_\_\_\_\_

FY 2008/09 \$173,280.96 and FY 2010/11 \$105, 883.00

\_\_\_\_\_

13. Name other sources of funding, if any, that will be contributed to the project and the amount provided by each source: City of Solvang \$ 170,000 \_\_\_\_\_

14. Type of grant for which you are applying: (Nexus or Discretionary)

**Nexus Grants (Total of \$442,051.44 Available)**

To be eligible for Nexus Grant funding, a **City or County** must meet a minimum of two of the following nexus criteria established by State law (Government Code).

*(Please check all that apply):*

- a. Local government jurisdiction borders the Indian lands on all sides (Section 12715 (c)(1)(A));
- b. Local government jurisdiction partially borders Indian lands (Section 12715 (c)(1)(B));
- c. Local government jurisdiction maintains a highway or road that is predominant access to casino that is located within 4 miles (Section (c)(1)(C));
- d. All or part of the local government jurisdiction is located within 4 miles of the casino (Section (c)(1)(D)).

Based on the above, in Santa Barbara County, Nexus Grants are limited to the **City of Solvang** and the **County of Santa Barbara**. Nexus grants are to be awarded as follows:

- 50% of the 60% available awarded to jurisdictions meeting all 4 nexus test criteria.
- 30% of the 60% awarded to jurisdictions that meet 3 of the nexus test criteria
- 20% awarded to jurisdictions that meet 2 of the nexus test criteria.

**Discretionary Grant (\$294,700.96 Available)**

**Special Distribution Funds (SDF)**

**Santa Barbara County**  
**Indian Gaming Local Community Benefit Committee**

ATTACHMENT 2

**Santa Barbara County**  
**Indian Gaming Local Community Benefit Committee**

Grant Application FY 2011-12 - Funds to be distributed in 2012

\$736,752.40 Available to Award

To be considered for funding by the Indian Gaming Community Benefit Committee, the applying jurisdiction must be an eligible jurisdiction pursuant to Assembly Bill 158, and meet all the requirements as identified by the Santa Ynez Band of Chumash Indians and the Indian Gaming Local Community Benefit Committee. The Santa Ynez Band of Chumash Indians will forward applications and a list of sponsored applications to the Committee.

1. Name of Jurisdiction: Santa Barbara County Fire Department  
Pursuant to AB 158, jurisdiction is defined as a City, County or Special District

a. Please indicate by checking the appropriate box the type of local jurisdiction:

City

County

**Special District** – “Special District” means an agency of the State, formed pursuant to general law or special act, for the local performance of governmental or proprietary functions within limited boundaries.

b. If you checked Special District, please provide evidence by indicating the general law or special act (California Code Section) that establishes your status as a Special District:

\_\_\_\_\_  
\_\_\_\_\_

2. Mailing address of Jurisdiction: 4410 Cathedral Oaks Rd. Santa Barbara, CA 93110

\_\_\_\_\_

3. Purpose of Grant / Description of Project: Fund a Firefighter/Paramedic post position (3 FTE's) at Station 32 in Santa Ynez adjacent to the Chumash Casino.

4. Please document, in detail, the Tribal casino and/or gaming impacts and describe how the request is proportional to the documented impacts which the grant or project is designed to mitigate: (Please include historical data, if available. Attach additional sheets, if necessary, to provide a detailed description of impacts).

The County Fire Department has received funding for a firefighter/paramedic post position since 2002. Prior to this contribution, staffing at the Santa Ynez Fire Station #32 was limited to three persons. Since the Chumash have been proactive in addressing impacts to the community, the staffing has increased to four firefighters. This fourth firefighter is a certified firefighter/paramedic assigned to the fire station which is less than 1 mile from the casino.

ATTACHMENT 2

**Santa Barbara County**  
**Indian Gaming Local Community Benefit Committee**

Grant Application FY 2011-12 - Funds to be distributed in 2012

\$736,752.40 Available to Award

The decision to fund a 24/7 firefighter/paramedic has proven to be very sound. Originally, the Fire Department and the Tribe recognized that the impact of the casino increased the number of responses by approximately 25%. By increasing the staffing at Fire Station #32 by 25% and including the paramedic services, the community in the Santa Ynez Valley has benefited directly and the additional impact of the responses to the casino have been addressed. Response data for the past two years is attached and continues to reflect the need for this vital service. In 2011, Station 32 responded to 294 calls at the Chumash Casino, an increase of 87 calls or 42% over 2010. In 2011, 39% of Station 32's responses were to the casino so the 25% contribution by the Chumash has helped to mitigate the impact.

The firefighter/paramedic at Fire Station 32 has a direct bearing on the safety of the patrons and visitors to the area and the safety of our firefighters. In addition, this staffing augmentation allows the firefighters to more readily confine and extinguish fires in the region and enhances our ability to mitigate all types of emergencies. Hopefully, the benefit committee will continue to support this mutually beneficial position through the grant process and continue this important partnership with public safety.

5. The following are priorities, established in statute, for receipt of grant money. Please indicate by check mark, the priority(ies) the grant request satisfies:

- |   |   |
|---|---|
| <input type="checkbox"/> Law Enforcement            | <input type="checkbox"/> Health                         |
| <input checked="" type="checkbox"/> Fire Services   | <input type="checkbox"/> Planning and Adjacent Land Use |
| <input type="checkbox"/> Emergency Medical Services | <input type="checkbox"/> Public Health                  |
| <input type="checkbox"/> Environmental Impacts      | <input type="checkbox"/> Roads                          |
| <input type="checkbox"/> Water Supplies             | <input type="checkbox"/> Recreation and Youth Programs  |
| <input type="checkbox"/> Waste Disposal             | <input type="checkbox"/> Child Care Programs            |
| <input type="checkbox"/> Behavioral                 |   |

6. Jurisdiction Priority: \_\_\_\_\_ ( Optional - If multiple applications are submitted a jurisdiction may want to indicate the relative priority of each application)

7. Request is for:  Single-year grant

Multi-year grant for Fiscal Years: On-going

8. What is the grant or project time frame? For the past nine years, through the generosity of the Chumash Tribe, a firefighter/paramedic has been added to Fire Station #32 which is within 1 mile of the Casino. This

ATTACHMENT 2

**Santa Barbara County**  
**Indian Gaming Local Community Benefit Committee**

\$736,752.40 Available to Award

fourth person at Fire Station #32 allows firefighters to perform multiple tasks at structure fires such as Search and Rescue, Ventilation, and Suppression. The fact that this person is a paramedic also efficiently directly increases safety throughout the Valley and assists the needs of the patrons of the Casino. The agreement reached between the Fire Department and the Tribe limited the costs to actual salaries and benefits. It has been understood that no overhead costs were included. The Fire Department is responsible for training, logistical support, administrative costs, etc. It is the hope of the Fire Department that this staffing augmentation will be on-going and supported by the grant process or the Tribe because it has a direct bearing on the quality of life for the community. The Fire Department will continue to acknowledge this benefit to the community and the on-going support of the Chumash people.

9. Amount of funding requested through this application? \$501,000
10. What will be the total cost of the project? Limited to actual cost of position
11. If ongoing costs, annual amount? Approximately \$501,000 plus COLAs
12. Please provide funding history since FY 07-08:  
Funding for direct salaries and benefits has been completely provided by the generosity of the Chumash. Funding for overhead costs (administration, training, equipment, etc.) has been provided by the Fire Department.
13. Name other sources of funding, if any, that will be contributed to the project and the amount provided by each source: \_\_\_\_\_
14. Type of grant for which you are applying: (Nexus or Discretionary)

**Nexus Grants (Total of \$442,051.44 Available)**

To be eligible for Nexus Grant funding, a **City or County** must meet a minimum of two of the following nexus criteria established by State law (Government Code).

*(Please check all that apply):*

- a. Local government jurisdiction borders the Indian lands on all sides (Section 12715 (c)(1)(A));
- b. Local government jurisdiction partially borders Indian lands (Section 12715 (c)(1)(B));
- c. Local government jurisdiction maintains a highway or road that is predominant access to casino that is located within 4 miles (Section (c)(1)(C));
- d. All or part of the local government jurisdiction is located within 4 miles of the casino (Section (c)(1)(D)).

Based on the above, in Santa Barbara County, Nexus Grants are limited to the **City of Solvang** and the **County of Santa Barbara**. Nexus grants are to be awarded as follows:

- 50% of the 60% available awarded to jurisdictions meeting all 4 nexus test criteria.
- 30% of the 60% awarded to jurisdictions that meet 3 of the nexus test criteria
- 20% awarded to jurisdictions that meet 2 of the nexus test criteria.

- Our partnership has saved countless lives since 2002.
- The Chumash have been instrumental in the effectiveness of our service to the Chumash Community, the Santa Ynez Valley and the County of Santa Barbara

**FOURTH FIREFIGHTER/PARAMEDIC BENEFITS**

**COMMUNITY SERVICE**

- In 2010 Station 32 responded to 207 calls at the Chumash Casino and in 2011 responded to 294 calls, an increase of 87 calls or 42% over 2010. Our fire station is less than 1 mile from the Casino. The nearest ambulance is located in Solvang which is 3.4 miles away from the Casino.

<b>STATION 32 RESPONSES</b>	<b>2011</b>		<b>2010</b>	
<b>Total Responses</b>	<b>760</b>		<b>773</b>	
<b>Responses to Casino</b>	<b>294</b>	<b>39%</b>	<b>207</b>	<b>27%</b>
<b>Medical calls to Casino</b>	<b>266</b>	<b>35%</b>	<b>195</b>	<b>25%</b>
<b>Responses to Solvang</b>	<b>60</b>	<b>8%</b>	<b>111</b>	<b>14%</b>

- Enhanced ability to provide Advanced Life Support and an increased level of firefighting (NFPA, OSHA two-in, two-out) to our community.
- Have great working relationship with Casino EMTs
  - This allows us to provide the best patient care possible and every second counts when lives are at risk.
- Provide in-service training to casino personnel when we receive new equipment or when requested.
  - Increases our ability to teach fire safety, prevention, and disaster preparedness.
- Allows us to respond to incidents with more than one piece of equipment
  - Station 32 has a Type 1 engine, Type 3 engine, water tender.

**EMS**

- The level of patient care is increased with two Paramedics
  - Patient care for two critical patients at once
  - One paramedic follow-up to the hospital means one is still available for subsequent calls

**FIREFIGHTING**

- Four person staffing brings several advantages including two-in/two-out capability and allows the station to respond with one engine and the water tender to vegetation fires.
- Protecting cultural, historical, and archeological sites throughout the county is an important part of our firefighting operations.

**HELICOPTER OPERATIONS**

- Having two Firefighter/Paramedics is crucial to patient care in Air Operations
  - Fourth Person can perform ALS rescues when needed from the helicopter
  - Fourth person can drive the Helicopter Fuel Tender to major fires

## PROJECT DESCRIPTION ATTACHMENT A

### **REQUEST FULL FUNDING OF \$736,752**

The purpose of this grant application to the Indian Gaming Community Benefit Committee is to request full funding for the reimbursement of law enforcement patrol services already provided during FY2011/12. Additionally, this application is requesting the restoration of full funding in FY2012/13 to provide for law enforcement services consisting of a "full post" which is one deputy sheriff, 24 hours a day/7 day a week, to mitigate the Casino's impact on the community.

The funding for full law enforcement patrol coverage is essential for the proper level of service in the geographical area commonly described as the Santa Ynez Valley. Within this area, there are several communities under the law enforcement jurisdiction of the Santa Barbara County Sheriff's Office. These communities include the Santa Ynez Band of Chumash Indians' Reservation and the surrounding unincorporated areas of Santa Barbara County, including Santa Ynez, Ballard, and Los Olivos. The proposed project does not impact the service levels provided to the two incorporated cities of Solvang and Buellton. The law enforcement service levels to these two cities are provided through contracts with the Santa Barbara County Sheriff's Office.

This application is a continuation of the multi-year grant beginning in 2005. In prior years, the Sheriff's Office was fully funded by the Indian Gaming Local Community Benefit Grant for the costs of one full post, or five plus (5.09) full-time sheriff's deputies, 24/7 coverage, in order to mitigate the impacts of the casino in and around the Santa Ynez Valley. In FY2010/11, the grant funding was suspended and the Sheriff's Office did not receive anticipated revenue of \$673,000 for services provided. In FY2011/12, in order to limit our financial exposure and not allow for a repeat of the loss of the expected revenue such as the prior year, we were forced to reduce our law enforcement service from a full 24/7 post to a limited schedule. When staffing permitted, we assigned a patrol deputy to a 12 hour "swing shift", seven days a week from 1400 hours to 0200 hours. This schedule was subject to available staffing levels and was not consistent throughout the year. Without this limited patrol coverage, service to the Santa Ynez Valley, which includes the Santa Ynez Band of Chumash Indians' Reservation and the surrounding unincorporated areas, would have been severely reduced. This limited staffing schedule provided much needed law enforcement services, however, it was neither consistent nor fully efficient.

Historically, the funding stream for this grant has been retroactive. It is problematic to provide a service without properly securing the budgetary resources to fund that service. In FY2010/11, due to a change in policy by the State of California affecting the Special Distribution Fund, the Sheriff's Office did not receive funding after providing for a full post that provided for 24/7 law enforcement coverage. The Sheriff's Office suffered a loss in excess of \$673,000. We can not afford to again sustain such a negative loss to our budget. The Sheriff's Office is proposing that we receive full funding from this year's grant and "roll over" the unused positive variance to the next fiscal year.

**REQUEST SUPPLEMENTAL FUNDING OF \$329,243**

In addition, we respectfully request additional supplemental funding from the Tribe to again return to a full staffing model of one post consisting of a deputy sheriff, 24/7. In effect, together with the Tribe, we will be proactive in our budgeting principles and be assured that the funding for the services provided in the upcoming fiscal year will be available. If the Sheriff's Office is awarded full funding from this year's grant (\$736,752), the additional amount necessary to fully fund a post for the next fiscal year will be \$329,243. Along with the roll over of this year's funds, the supplemental funding will allow the Sheriff's Office to return to prior staffing levels of one full post in FY 2012/13. Without the full grant award or supplemental funding, the Sheriff's Office will only be able to provide the level of service that is budgeted.

The resources allotted by this grant and the supplemental funding will be deployed specifically to the areas mentioned above. The Sheriff's Office would deploy the existing and augmented law enforcement resources in a manner that best targets crime trends and enhances public safety.

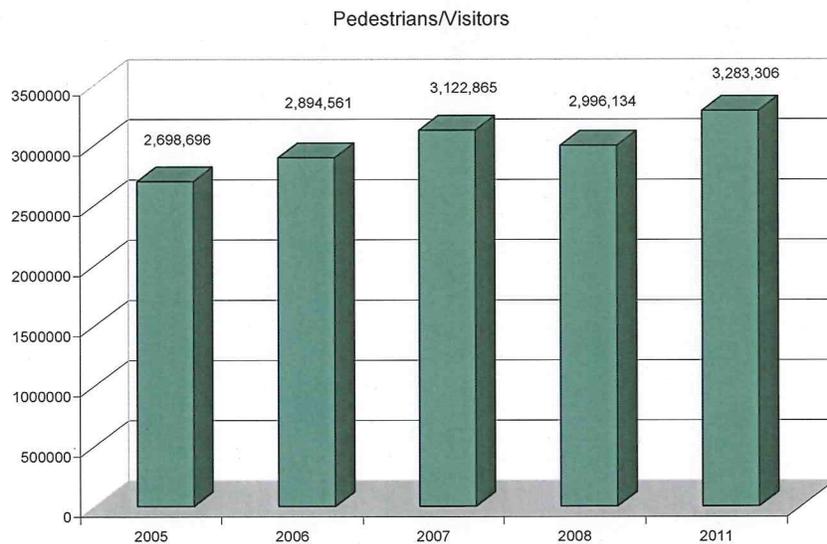

The goal in deploying the additional law enforcement resources has been the reduction of crime, increased likelihood of identification and arrest of suspects, and the reduction of fear of crime in the community. The additional five (5) patrol positions will mitigate the impact on the surrounding communities.

## IMPACTS ASSOCIATED WITH THE TRIBAL CASINO AND/OR GAMING ATTACHMENT B

Within the area commonly described as the Santa Ynez Valley, there are several communities under the law enforcement jurisdiction of the Santa Barbara County Sheriff’s Office. These communities include the Santa Ynez Band of Chumash Indians’ Reservation, the surrounding unincorporated area of Santa Barbara County, and the Cities of Solvang and Buellton. A tribal casino is operated on the Santa Ynez Band of Chumash Indians’ Reservation. The County of Santa Barbara meets all four (4) nexus test criteria.

With the growth in popularity of tribal gaming over the years, the enlargement of the tribal casino on the Santa Ynez Band of Chumash Indians’ Reservation, and the addition of the resort complex, the total number of daily visitors to the area has increased over the years. With the increased number of visitors comes an increase in the calls for service, reports and arrests at both the tribal casino and in the surrounding communities.

The Casino was able to provide data regarding the pedestrian traffic to the Casino for the years 2005-2008 and then again for the year 2011. The pedestrian counter device (Object Video) was not operational for several months during the 2009 and 2010 years, thus was unable to provide full data for those years. *(It should be noted that the counter device has an approximated variance of 2-3%, due to situations requiring some employees to pass by the counting device.)*

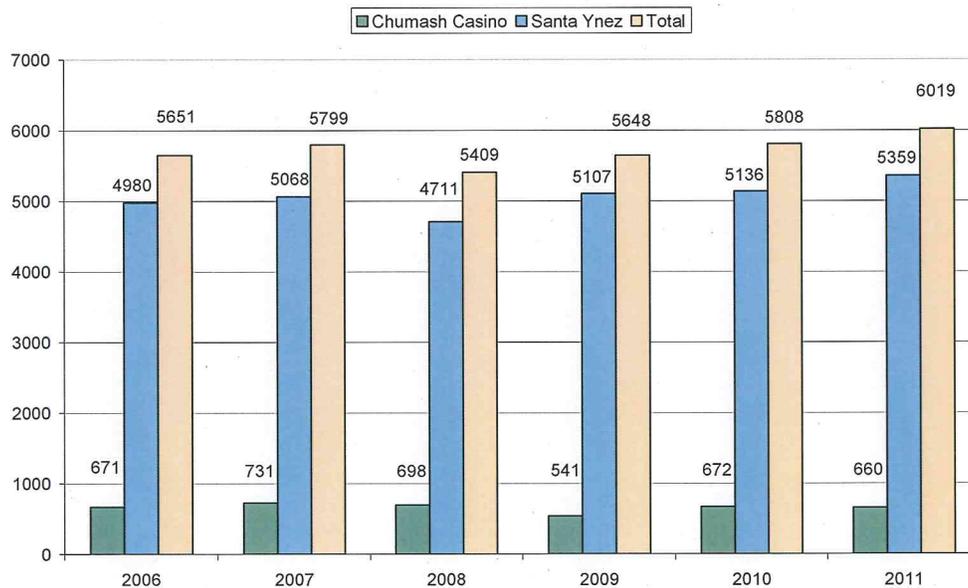

The data provided reflects an average of **2,999,112 pedestrians/visitors per year** from 2005 to 2008 and also using the 2011 data; refer to graph below. From the year before there is an **8.75% increase** in pedestrians/visitors and a **17.81% increase** since 2005.

As the primary law enforcement agency for the Santa Ynez Band of Chumash Indians' Reservation and the townships of Santa Ynez, Ballard, and Los Olivos, and the areas surrounding the reservation on all four sides, the Santa Barbara County Sheriff's Office has been impacted.

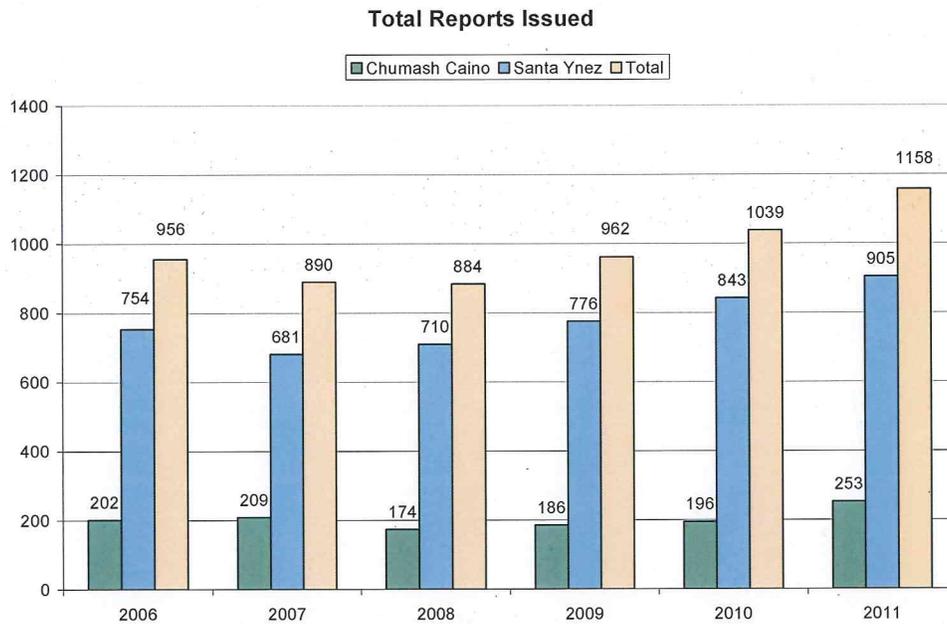

The total calls for service in the entire community have also increased. In 2006, there were 5651 total calls for service. In 2011 there were 6019 total calls for service. This was an **increase of 6.11%** from the 2006 data and a **3.51% increase** from 2010 data.

Comparison of Total Calls for Service

However, calls for service are only one of many factors to review when looking at the impact. Crime investigations are written on formal reports as are other significant events to which Sheriff's personnel respond. The reports for the area including both the Santa Ynez Band of Chumash Indians' Reservation/Casino and the surrounding unincorporated areas of Santa Barbara County have continued to show an increase over the years.

The below graph reflects both criminal and non-criminal reports:

In 2006 there were 956 total reports written. In 2011 there were 1158 reports. This is an **increase of 17.44%** from the 2006 data and a **10.27% increase** from the 2010 data.

The following chart shows the statistical breakdown of the 253 reports written during 2011 in regards to casino related activity:

	January 2011	April 2011	July 2011	October 2011	Total

**Santa Barbara County**  
**Indian Gaming Local Community Benefit Committee**

Grant Application FY 2011-12 - Funds to be distributed in 2012  
\$736,752.40 Available to Award

To be considered for funding by the Indian Gaming Community Benefit Committee, the applying jurisdiction must be an eligible jurisdiction pursuant to Assembly Bill 158, and meet all the requirements as identified by the Santa Ynez Band of Chumash Indians and the Indian Gaming Local Community Benefit Committee. The Santa Ynez Band of Chumash Indians will forward applications and a list of sponsored applications to the Committee.

1. Name of Jurisdiction: Santa Ynez Community Services District  
Pursuant to AB 158, jurisdiction is defined as a City, County or Special District

a. Please indicate by checking the appropriate box the type of local jurisdiction:

City

County

**Special District** – “Special District” means an agency of the State, formed pursuant to general law or special act, for the local performance of governmental or proprietary functions within limited boundaries.

b. If you checked Special District, please provide evidence by indicating the general law or special act (California Code Section) that establishes your status as a Special District:

SYCSD is an independent special district created under Section 61000, Title 6, Division 2 of the Community Services District Law of the State of California

2. Mailing address of Jurisdiction: P.O. Box 667, Santa Ynez, CA 93460

3. Purpose of Grant / Description of Project:

Replacement of 24 manhole ring/covers within the streets of Edison, Sanja Cota and Hwy 246.

ROUTE 10  
2012 MAR 19 PM 2:04  
ACTING DISTRIBUTOR

Santa Barbara County

Grant Application FY 2011-12 - Funds to be distributed in 2012

\$736,752.40 Available to Award

- 4. Please document, in detail, the Tribal casino and/or gaming impacts and describe how the request is proportional to the documented impacts which the grant or project is designed to mitigate: (please include historical data, if available. Attach additional sheets if necessary to provide a detailed description of impacts).

The District has noticed a dramatic increase in wear over the past seven years, due to an increase in vehicle traffic on these main roadways to the Casino. These 24 manholes are in the traffic lanes.

- 5. The following are priorities, established in statute, for receipt of grant money. Please indicate by check mark, the priority(ies) the grant satisfies:

- Law Enforcement, Fire Services, Emergency Medical Services, Environmental Impacts, Water Supplies, Waste Disposal, Behavioral, Health, Planning and Adjacent Land Use, Public Health, Roads, Recreation and Youth Programs, Child Care Programs

- 6. Jurisdiction Priority: 1 (Optional - If multiple applications are submitted a jurisdiction may want to indicate the relative priority of each application)

- 7. Request is for: Single-year grant, Multi-year grant for Fiscal Years:

- 8. What is the grant or project time frame? 2012

- 9. Amount of funding requested through this application? \$21,000.

- 10. What will be the total cost of the project? \$ Estimated at \$21,000

Grant Application FY 2011-12 - Funds to be distributed in 2012  
\$736,752.40 Available to Award

11. If ongoing costs, annual amount? \$ \_\_\_\_\_

12. Please provide funding history since FY 07-08:  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

13. Name other sources of funding, if any, that will be contributed to the project and the amount provided by each source: \_\_\_\_\_

14. Type of grant for which you are applying: (Nexus or Discretionary)

**Nexus Grants (Total of \$442,051.44 Available)**

To be eligible for Nexus Grant funding, a **City or County** must meet a minimum of two of the following nexus criteria established by State law (Government Code).

*(Please check all that apply):*

- a. Local government jurisdiction borders the Indian lands on all sides (Section 12715 (c)(1)(A));
- b. Local government jurisdiction partially borders Indian lands (Section 12715 (c)(1)(B));
- c. Local government jurisdiction maintains a highway or road that is predominant access to casino that is located within 4 miles (Section (c)(1)(C));
- d. All or part of the local government jurisdiction is located within 4 miles of the casino (Section (c)(1)(D)).

Based on the above, in Santa Barbara County, Nexus Grants are limited to the **City of Solvang** and the **County of Santa Barbara**. Nexus grants are to be awarded as follows:

- 50% of the 60% available awarded to jurisdictions meeting all 4 nexus test criteria.
- 30% of the 60% awarded to jurisdictions that meet 3 of the nexus test criteria
- 20% awarded to jurisdictions that meet 2 of the nexus test criteria.

**Discretionary Grant (\$294,700.96 Available)**

**Special Distribution Funds (SDF)**

20% Discretionary Grants are available to local jurisdictions (City, County, or Special Districts) impacted by casinos of tribes that are paying into the Special Distribution Fund.

15. Please affirm the jurisdiction is aware and will comply with requirement for noticing of project funding  
 Yes     No

Grant recipients must provide notice to the public, either through a slogan, signage or other mechanism, which states that the project has received funding from the Indian Gaming Special Distribution Fund and further identifies the particular Individual Tribal Casino Account from which the grant derives.
