FY 2019-20 Service Level Reductions

NONE
Assisted Outpatient Treatment (AOT) Update

• In 2002, the California Legislature passed Assembly Bill 1421, an assisted outpatient treatment program designed to provide court-ordered treatment targeting adults with serious mental illness who are experiencing repeated crisis events and who are not engaging in treatment on a voluntary basis.

• May 10, 2016, the Board of Supervisors approved and directed Behavioral Wellness to develop and implement an Assisted Outpatient Treatment (AOT) three-year feasibility pilot program designed to serve approximately ten (10) persons at any given time.
Assisted Outpatient Treatment (AOT) Update

- Three-year pilot funded through 12/31/2019
  - $882k funding allocated
  - $673k expected to be spent as of 6/30/2019
  - $209k remaining

- The remaining $209k may be adequate to continue program through 6/30/2020

- An additional $100k will be available from the mental health set aside in General County Programs in the FY 2019-20 budget to ensure program remains operational through 6/30/2020
Assisted Outpatient Treatment (AOT) Update

- Of 100 referrals received:
  - 67 were seen
  - 33 were determined to not meet criteria or were unable to be located

- Of the 67 people seen:
  - 48% -- Closed because the individual did not meet full AOT criteria
  - 25% -- Accepted voluntary treatment
  - 18% -- Closed because individuals were initially contacted but then unable to be located or moved out of the area
  - 7.5% -- Court ordered treatment through AOT
  - 1.5% -- Continue to attempt to engage
  - 0% -- Settlement agreement
  - 0% -- Court petition filed
Assisted Outpatient Treatment (AOT) Update

- Programs working in tandem or supporting same AOT population:
  - Mobile/Triage (continuation of program staffing after grant ended)
  - Homeless Outreach expansion (new HMIOT grant expands services to West and North county)
  - CIT/Co-Response Team Pilots (SB Sheriff and SB PD)
  - Assertive Community Treatment/Justice Alliance

* New program on horizon with AB1810 funding: Diversion of Felony ISTs
Assisted Outpatient Treatment (AOT) Update

- Upon conclusion of 3-year pilot program, Behavioral Wellness will receive the program evaluation and return to the Board with a full report in Spring 2020.
- Information will inform program decisions for FY 2020-21.
Summary

• FY 2019-20 budget balanced without service level reductions - first time in recent history
• Completely redesigned Crisis services system of care has resulted in:
  • More efficient services delivery
  • Improved patient care
  • Fiscally sustainable model
• Continuing to see increased needs for long-term care - conserved clients
  • Strategies to bring clients home
• No Place Like Home reduces services funding but increases housing resources
  • $2.6M housing funding available in FY 2019/20
  • Round 1 establishes $52M set aside to be split between 14 medium sized counties
    • Awards based on competitive application
