

2009 ADOPTED LEGISLATIVE PRINCIPLES

The Legislative Program adheres to the County's legislative principles, which serve as a guide for the County in developing a position on any forthcoming federal and state legislation.

✳ **EFFICIENT SERVICE DELIVERY/OPERATIONS:** Support efforts to streamline processes and promote operational enhancements germane to a County department's mission and core services, and correspondingly, oppose legislation that creates undue fiscal and operational burdens on departments.

✳ **FISCAL STABILITY:** Support efforts to generate new intergovernmental revenue and/or enhance existing revenue/reimbursement levels and oppose the loss of, or redirecting of, existing revenue and/or the creation of additional unfunded mandates to the County.

✳ **INTER-AGENCY COLLABORATION:** Partner with neighboring cities on infrastructure and other large-scale projects when possible. Support the advocacy efforts of such organizations as the California State Association of Counties (CSAC), the National Association of Counties (NACO), Santa Barbara County Association of Governments (SBCAG), First 5 Santa Barbara, the Kid's Network and other local and regional agencies. Collaborate with other institutions and entities on mutually beneficial issues while upholding the other principles of efficient service delivery and operations, fiscal stability and local control.

✳ **LOCAL CONTROL:** Ensure local authority and control over governance issues, land use policies and the delivery of services, including flexibility and customization in designing and implementing policies and services that are responsive to the community's preferences.
