Project PetSafe Low-Cost Vaccination Clinic At River View Park in Buellton

Santa Barbara County Animal Services' Project PetSafe Team will hold a Licensing Clinic on Saturday, November 21st, 2015, 9 a.m. to 1 p.m., at River View Park, 151 Sycamore Drive, in the City of Buellton.

Project PetSafe reminds Santa Barbara County dog owners that the law requires your four legged family member to be currently licensed and rabies vaccinated. A license is your pet's ticket home!

Project PetSafe is a program within Santa Barbara County Animal Services that advocates Responsible Pet Ownership. For many dog owners, dogs are cherished and loved members of the family, so it is important to help make sure they are free from disease and wearing their Santa Barbara County Animal License Tag. When your dog is licensed and wearing the animal license tag, they can be quickly reunited with their families.

The Buellton/Mid-County Licensing Clinic provides:

- Affordable vaccinations: Rabies \$6, DHPP \$14, Bordetella \$14
- Microchipping - \$30 for licensed dogs
- Information about affordable spay and neuter services
- Santa Barbara County Dog Licenses
 - A current rabies certificate and written proof that the dog is spayed or neutered are required to obtain an altered dog license. A rabies certificate and a Veterinary Certificate signed by a licensed veterinarian are required to obtain an unaltered dog license.
- All dogs must be on leash. No appointments needed.
- Cash (no bills over \$50) and checks accepted, no debit/credit cards

Project PetSafe is committed to bringing affordable vaccinations; spay/neuter services, microchips, and licenses to your community. Remember it is your responsibility to be a Responsible Pet Owner and keep your pet's license current.

For more information, contact Santa Barbara County Animal Services, Project PetSafe Team, at 805-934-6968.
