Public Assistance Requested to Help Locate Missing At-Risk Solvang Senior

Solvang — The Santa Barbara County Sheriff's Office is requesting the public's assistance to help locate an elderly woman who is considered at-risk and has been missing for twelve days. 83-year-old Marilyn Morgan was last seen on October 19, 2016 at approximately 11:00 a.m. at Atterdag Village of Solvang in the 600 block of Atterdag Road where she is a resident. An associate of the retirement community contacted the Sheriff's Office when Morgan did not show up for lunch which was highly uncharacteristic of her. When she did not show up for dinner either, staff became very concerned for her safety and well-being and reported her missing. Morgan is believed to be suicidal based on past behavior and a statement she made to a friend prior to leaving.

Morgan left Atterdag Village in her white, four door hatchback 2004 Saturn Vue, California license plate 5ESJ690. She is approximately 5'5" tall, 200 pounds with short white hair. (Morgan is not wearing her wig as depicted in attached photo.) Morgan left without her cell phone and her purse.

Shortly after Morgan was reported missing, the Sheriff's Office issued a "be on the lookout" for Morgan and her vehicle. Morgan and her and vehicle where entered into the Missing Persons data base. The Santa Barbara County Sheriff/Fire Air Support Unit has conducted aerial searches but Morgan and her vehicle have not been located.

The Sheriff's Office continues to investigate this missing person case. If you see Morgan or her vehicle or have any information on her whereabouts, you are asked to contact the Santa Barbara County Sheriff's Office at 805-683-2724.
