ZOMBIES TO TAKE OVER THE SANTA MARIA ANIMAL CENTER **6TH Annual Zombie Glow Run**

(SANTA BARBARA COUNTY, Calif.) – On Saturday, October 12, 2019, zombies will be taking over Santa Barbara County Animal Services' Santa Maria Animal Center to raise money and awareness for homeless shelter animals. Zombies will be taking over the area from 5 p.m. – 8 p.m. for the 6th Annual Zombie Glow Run. Hosted by the Santa Barbara County Animal Care Foundation, this family friendly event will include three run/walk options, live music, food trucks, costume contests for two and four legged guests, and so much more.

The Santa Barbara County Animal Care Foundation's Zombie Glow Run 2, 5 or 10k Fun Run/Walk is a unique, one-of-a-kind evening experience that focuses more on fun with friends and family and less about how fast each participant can run/walk. Our participants have one thing in common; they are ready to GLOW for a cause.

Don your Zombie best, leash up your friendly, furry friend(s), and bring the whole family for a spook-tacular good time. Join us as we venture into areas around the shelter seldom visited, dodge friendly zombies, collect glow swag, and hope to make it back with energy left for dancing to the sound of local favorite, Different Strings. Grab a bite to eat and pick up some special pet items while making a difference for animals in our community.

The Santa Barbara County Animal Care Foundation is an all-volunteer, nonprofit group, formed in 2002. Their mission is to promote animal welfare and to better the quality of life for animals in Santa Barbara County through education, outreach, collaboration and promotion of the humane, ethical, and responsible treatment of all animals. Funds raised at this event support shelter animals in all three of our open admissions facilities through medical care, shelter improvements, behavior and enrichment, and public spay and neuter.
