2019 Halloween Operation Recap

Isla Vista, Ca. – The Santa Barbara Sheriff's Office would like to thank all of the allied agencies that assisted in this year's Halloween Operations. The overall statistics seem to be following the recent past and reflected a continued downward trend in attendance and criminal activity. This year the Santa Barbara Sheriff's Office used funds from a grant provided by Alcohol Beverage Control (ABC) to help with costs associated with staffing the event. This grant funding was used by the Sheriff's Office to provide added enforcement for alcohol related crimes in the Isla Vista and Goleta areas.

This year's operational period covered October 25-26, October 31, and November 1-2. The breakdown of arrests and citations are below. A majority of the arrests and citations were for noise violation and alcohol related offenses.

	October 25-26, 2019	October 31, 2019	November 1-2, 2019
Arrests	4	2	0
Citations	26	18	5
Incident Reports	3	0	0
