Santa Barbara County Department of Behavioral Wellness
countyofsb.org/behavioral-wellness

805-681-5200

Alice Gleghorn, Ph.D., Director

Revised January 12, 2016

All Ages

To obtain behavioral health services, please call the 24/7 Access Line, 888-868-1649.

Access and Assessment Teams

Three regional teams specializing in access and assessment, with special attention to cultural considerations, such as unique presentations of crises among minorities and the importance of accessing family and community supports. The new regional teams are based in Lompoc, Santa Maria and Santa Barbara. The teams are guided by recovery and resiliency concepts and will improve access to services.

Ages Served: All

Regions: All

Capacity: NA

Provider: Santa Barbara County Department of Behavioral Wellness

Cultural Adaptations to Evidence-Based Practices

Appropriate adaptations to evidence-based practices (EBPs) will be created to meet the needs of under- served and un-served cultural and ethnic populations in Santa Barbara County. A system-wide training plan will ensure consistency across regions and target populations. Fidelity in implementation of EBPs throughout the behavioral health service delivery system will be monitored.

Ages Served: All

Regions: All

Capacity: NA

Provider: Santa Barbara County Department of Behavioral Wellness

Inpatient Acute Services

Provided for individuals requiring hospitalization for psychiatric conditions. Children are served primarily at Aurora Vista Del Mar Hospital in Ventura.

Ages Served: All

Regions: All

Capacity: NA

Provider: Various providers, including Psychiatric Health Facility (PHF), Aurora Vista Del Mar Hospital and Institutions for Mental Disease (IMDs)

Integration of Behavioral Health Care in Community Clinics

The Community Health Centers of the Central Coast (CHCC) offer mental health services at three clinics in Santa Maria and one in Lompoc for individuals with mild or moderate mental illness. Expanded mental health resources in each community health clinic strengthen the capacity to assess, treat, and refer individuals at risk of developing a serious mental health condition.

Ages Served: All

Regions: North and West

Capacity: 3,800

Provider: Community Health Centers of the Central Coast

Patients' Rights

Patients' Rights Advocates are Behavioral Wellness staff members who report directly to the Behavioral Wellness Chief of Compliance. They are available to assist anyone who has a concern about the legal rights of consumers, family members, and members of the community. Patients' Rights Advocates can answer questions, provide advice, and represent consumers in grievances, appeals, and State Fair Hearings.

Ages Served: All

Regions: All

Capacity: NA

Provider: Santa Barbara County Department of Behavioral Wellness

Provider Network

Licensed mental health professionals contracted as Network Providers with Santa Barbara County Department of Behavioral Wellness to provide short-term outpatient individual, family and group therapy for Medi-Cal beneficiaries with specialty mental health needs.
